To Diocese of Rochester Schools:

The Reverend John A. Reddington Scholarship Fund was established under the Will of Father John Reddington to provide for Catholic education at any level and for college education (non-denominational) for residents of the Diocese of Rochester. A scholarship committee exists to review all applications and to select individuals to receive scholarship grants.

There is no limit on the number of times a student may apply for a scholarship. Scholarships are not automatically renewed each year. Students must reapply annually.

The Scholarship Fund is a needs-based fund, and the student must be performing to his/her potential. This past spring we had (169) students apply for the scholarship and were able to assist (95) applicants.

Scholarships awarded are in the average range of \$100.00 to \$500.00 per year. The committee will only consider those applications that indicate a family's maximum yearly income of \$60K or less and require proof of pending school registration or completed school registration of student.
